

What is a **Chrysalis** weekend?

It's a three day experience that takes a New Testament look at Christianity as a lifestyle.

It is a highly structured weekend designed to strengthen and renew the faith of young Christians (17-25 years recommended age) and, through them, all those with whom they come in contact.

Chrysalis is an interdenominational, combined effort of laity and clergy towards renewal of the church.

Those attending the weekend will spend three busy, fun and enjoyable days living and studying together in singing, prayer, worship and discussion.

Discussions centre around fifteen talks given by laity and clergy. These talks cover the theme of God's grace and how that grace comes alive in the Christian community and expresses itself in the world.

Spare Change

This price covers accommodation, food, hire of the conference centre and materials for the weekend. We recommend that this figure be funded from three sources: the applicant, the applicant's church or group within the Body of Christ; and a sponsor or a benefactor arranged by the sponsor.

Payment methods

Regional Chrysalis

The application

Although we only require parental consent from those under eighteen years of age, we would ask that all participants attend with the full knowledge and blessing of their parents. The chance of medical treatment being required is minimal, however, your Medicare number would be appreciated.

The application should be completed in the order prescribed on the form, i.e. the applicant, the parent, the minister, then the sponsor. As all applications will be treated on a "first in, first considered" basis we would ask all concerned to pass the application on without delay. This is also very helpful for the organisers of the weekend. We look to the sponsor to ensure the application is properly completed and accompanied by the \$60 deposit.
